### **Swimming School -**

Most feel that swimming lessons are an important life skill for all children, and Kate's Swim School would to inform you that they are local and offer small-group swimming lessons, as well as 1:1 lessons for children with SEND or those who simply benefit from a quieter, more individual approach in the water.

These lessons take place in Linton (ME17 4BS) on Monday, Tuesday, Thursday and Saturday. If you are interested please visit the website [katesswimming.co.uk](http://katesswimming.co.uk).

### **National Fitness Day-**

Monday 14th September is National Fitness Day.

You could celebrate this by completing a Daily Mile or other fitness based activity, this also could include dance activities or fitness or circuit activities.

Let's make the most of the nicer weather and take the opportunity to get our children (and yourselves) outside in the fresh air.

### **RAF Manston History Museum-**

The Museum is holding an event this weekend (Saturday and Sunday- 10am-4pm) to celebrate 'Wings and Wheels'.

This will be held at the museum located at CT12 5DF). This includes experiences cockpits, fire engine rides, tank rides and other vehicles to explore. For more information, visit [www.rafmanston.co.uk](http://www.rafmanston.co.uk)

Thank you to all Staff, Parents, Carers and of course the Children for embracing their next year of learning. Wishing you all a lovely weekend.

Kind regards,

Emma Wood
