This week we have been discussing how we can show compassion for the world and others around us.

### James 2:14-17 Compassion for the world now

*Lord, I want to be aware of those in need. I want to have the means to help. Let me give to those who are not as privileged as I am. Give me confidence in my actions so that I can give back. Let me be what others need. Use me as a vessel of compassion to a world in need. AMEN*

Compassion is not just about helping, it's about challenging the situations and policies that cause people to suffer. You need to find out why people are living in poverty, why climate change is such a threat to the poorest and then you need to do what you can to change things as individuals and groups.

**Attendance** – attendance has been really good this term, keep it up. Full details later this term. If your child is off, please remember to let us know why, otherwise the absence will be unauthorised. Thank you.
