Mrs Masters Weekly Round Up

Finally a glimpse of sunshine and hopefully this is set to continue into next week. I would like to wish you all a restful half term and enjoy the sunshine while it lasts. A big thank you to all of the children for their continued hard work, it is them and the school community as a whole that makes Ulcombe a special place. Happy half term everybody.

This week in worship we have been focusing on living a life following the example of Jesus and looking closely at celebrating creativity.

Isaiah 55: 12

You will go out in joy and be led forth in peace. The mountains and hills will burst into song before you and all the trees of the field will clap their hands.

We have explored how Christians use creativity and art as their worship to God.

“So you will go out with joy and be led out in peace. The mountains and hills will burst into song before you, and all the trees in the fields will clap their hands.”

What do you think this verse means? I wonder if it might mean, that because God made the world, the whole of creation seeks to praise God. How might trees clap their hands or mountains burst into song?

Tuesday 8 June 2021 - Barn Owls Beach Day!

On the first Tuesday back, Barn Owls will be enjoying a beach day to begin their new topic "Into the Blue". We encourage your children to come to school dressed for a day at the beach - shorts, Hawaiian shirts, summer dresses, beach towel, sun hat etc... (no swimming costumes unfortunately). Children will need shoes that cover their toes for the playground, but may bring in sandals/flip flops to wear in the classroom. Be ready for a fun day in the sun on World Ocean Day!

Kent Science Jamboree!

In the first week back, all classes will be taking part in special activities to celebrate the Kent Science Jamboree. We have some live science shows to watch on different days, and the teachers have planned some exciting science experiments for the children to enjoy.
