This week in worship we have been focusing on 'A New School Year: Being wise in God's eyes'

**Proverbs: 4.13, 19.27 - WISDOM FOR LIFE (PROVERBS)**

*'Hold on to what you learn, for your education is your life. When you stop learning, you soon neglect what you already know'.*

In the Bible, education is about a way of life. Christians believe God has filled the world with things to discover about himself and the way he made the world. However long people live, they only ever find out a little about the world. The great scientist Isaac Newton, who discovered gravity, was a Christian. He said he felt like a small boy who had managed to pick up a few pebbles of knowledge from a vast beach.

**TRUST RESPECT HOPE ENDURANCE**

## Mrs Masters Weekly Round Up

It is with great sadness that we are dealing with the sudden death of Miss Killick from Platts Heath which I know all the Aspire staff are coming to terms with. Please feel free to contact me if this news has affected you in any way.

I would like to finish the week by saying how wonderful it was to see so many of you at the church this morning for our Harvest Festival celebration. I cannot thank you all enough for your extremely generous donations.
