Mrs Masters Weekly Round Up

It has been a very busy week here and it seems as though winter and Christmas have suddenly crept up on us. I am so sad that I have had to cancel so many activities but I am sure you will agree that keeping everyone safe has to be the main priority. We will continue to work towards giving the children a wonderful Christmas experience here in every way we can.

This week in worship we have been focusing on patience looking at when David became King.

Samuel 5:1-12

3 When all the elders of Israel had come to King David at Hebron, the King made a covenant with them at Hebron before the Lord, and they anointed David King over Israel.

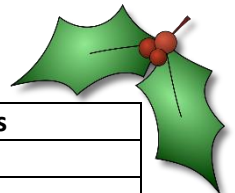

David had waited a long time (almost 20 years) to become king, but finally God's promise happened. I wonder how David felt when he finally became King? I wonder what David had learned in all the years of waiting that would help him to become a good king? I wonder if he had been learning something about trust and about wisdom? In what ways do you think you are wise?
