### Mrs Masters Weekly Round Up

Hello Everyone. Wow this week has really flown by for us here in school. The children are really engaged with their terms topics now and looking forward to some wonderful learning opportunities. I have had a meeting with the school council and I can now tell you that they have raised over £200 for the McDonalds Charities and are now looking to raise money for WaterAid UK. They will continue to sell ice lollies this term (I know! I did try and say how cold it was) and they are thinking of new ideas going forward. Thank you for continuing to support their hard work. Have a wonderful weekend.

This week in worship we have been focusing on answering the question who Jesus is.

**John 10:10 – I came to give life – Life in all its fullness**

Christians believe that by following Jesus and his teachings it enables them to be free to worship and follow him, to have hope and a life that is the best it can be. This doesn't mean that being a Christian means life is now easy and free from suffering. Knowing that Jesus is with them every step of the way to help and guide means that navigating these times of suffering is more bearable.

I wonder what you might ask Jesus to help you with this year so that you can live life to the full? I wonder what you might do to help others live life to the full?

**TRUST RESPECT HOPE ENDURANCE**
