Mrs Masters Weekly Round Up

Hello Everyone. Although I have not been there this week I am still in touch with school life and know that the children have been enjoying a range of learning opportunities including the forest school trip today. Thank you to those of you who have been in contact with me during the week - I am glad you are all aware I can be contacted at any time. Fortunately the weather has been kind and so active learning and use of our beautiful outside spaces has been able to take place. I can confirm that I have tested negative this morning and assuming this continues over the weekend I will be back on Monday. I can't tell you how much I am looking forward to this.

This week in worship we have been focusing on answering the question who Jesus is.

I am the water of life (John 4:13-14)

Jesus said, 'Whoever drinks the water that I will give will never be thirsty. The water that I will give will become in him a well of life that lasts forever'.

We have wondered why Jesus would describe himself as the living water? What this might teach us about Jesus? We have discussed how Jesus is a 'Life Giver'? Jesus is saying that he is offering 'water' that gives eternal life; a life with Jesus. We have explored why Jesus used this particular metaphor to describe himself?
