Mrs Masters Weekly Round Up

Hello Everybody. What a lovely week! The sun has been shining which means the children have been able to access their learning both in and out of the classroom. Let's hope this continues into next week. Football club will only run next term and then cease as numbers have dwindled and it is very costly to the school to have the trained professionals for very few children. However, I am currently looking into dance, archery and rounders clubs. These will be after school and run by trained professionals. I will give you more information once final arrangements are made.

This week in worship we have been thinking about what is meant by 'God the life leader'.

I AM THE GOOD SHEPHERD - John 10: 1-18

Being a shepherd in Bible times was a difficult and dangerous job. Shepherds were often outside all day and night and had to fend off wild animals. The job of the shepherd was to feed, guide, protect and look after the sheep.

We have asked - Why would Jesus describe himself as the good shepherd? What might this teach us about Jesus? If being a good shepherd might be a good picture of Jesus as a Life Leader?

I love the Lord, because he hears me; he listens to my prayers.

He listens to me every time I call to him.

Psalm 116:1-2
