Mrs Masters Weekly Round Up

Although this has been a short week what a jam packed week it has been! The children have been really getting stuck into their learning with their topics firmly under way. Make sure you discuss the learning with your child as I am sure you will be amazed at just how clever and enthusiastic they all are. I shall be writing out to you all next week to advise you about the Aspire wide Jubilee day I am hosting here at Ulcombe. Have a wonderful weekend everyone and I will see you all on Monday.

This week in worship we have been discussing why we should be generous with our time

BEING GENEROUS WITH OUR TIME Matthew 10:8

Michael Faraday, was a Christian and a scientist in Victorian Britain. He decided that he would share his work, time and talents for free. The story of Faraday also reminds us of God's generosity in the wonderful discoveries that we make in the world around us.

Father God, thank you for giving us a place to live in this amazing universe full of wonders. Thank you for all the people around us, especially the ones that nobody else notices, but you do. Open our eyes to see all of this, to see all of them, and to care for it and to care for them as much as you do. Amen.
