

## Term 2 2024

Here are some activities to do at home. They link with the topics we are covering in school. Please let me know which ones you complete so we can celebrate achievements in class and give out rewards.

If you would like to send in any photos of your child completing the activities and you are unable to print them at home, please send them to the school office.

[office@ulcombekentsch.co.uk](mailto:office@ulcombekentsch.co.uk)

Books will be changed on Tuesdays and Fridays.

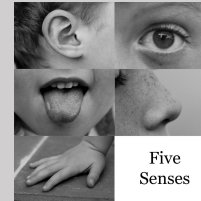

DT - Mechanisms

Make a pop up card

Science - Senses

What is your favourite smell, taste, sound, thing to see and touch?

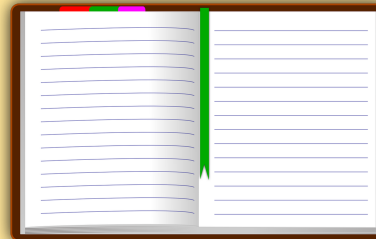

Life Skills - Internet Safety

How do you use the internet safely at home?

English/History

Write a diary entry.

Maths

Learn the doubles to 10.

UBWV - Special Stories

Ask your family to tell you special stories they remember about you.
