and school and should be sent as a word doc or PDF to kentlifepoet@newsquest.co.uk by **January 19, 2026**.

Free Potty Training Guide-

The free Potty Training Guide has been developed by the early years sector and offers clear, research-based guidance around when and how to potty train. Evidence shows that the best time to stop using nappies for bowel and bladder health is between 18-30 months, and the Guide will support schools and early years settings in working with parents to help children achieve this.
