

Tawny Owls Homework Term 5

This term we will be learning about: *Themes across time*, where we will be finding out about how different aspects have changed over time. Please choose at least three pieces of work to complete by the end of term (22nd May) from the options below.

Create a timeline of your own life so far, highlighting key events and changes you have experienced.	Research and present on a specific topic (e.g., transport, food, clothing) comparing how it was in the past to how it is now. You can choose to compare to one time in history or multiple time periods.	Interview family members about their childhoods and how things have changed, focusing on areas like school, transport or technology.
Write a story or a poem imagining what life was like in a different time period. You can imagine you have travelled in time or you can create a new character and write about their experience.	Design a board game that teaches others about changes in a specific area, like transport or technology.	Choose a theme (e.g., "Pizza Face," "Superhero Smoothie") and develop a recipe based on it. Have a go at making your product by following the recipe.
Find a small area (e.g., under a rock, in a garden) and draw it, noting details like soil type, plants, and any animals you observe.	Grow a plant in a dark cupboard, under a bed, or in the freezer to see how it responds to different conditions.	Create art that shows different habitats, like a savanna or rainforest.

Thank you for your support with completing this homework. If you require any resources to support (paper, card etc) please let me know. If you have any photos or videos you would like to share of the homework, please email them to the school office office@ulcombekentsch.co.uk
