Dear Year 6 Parents,

I am writing to you as we are required to share our privacy notice with you this week as the children take their SATS tests. The reason for this is that the children record their first name, middle name, last name and date of birth as well as their school name and the DFE number of the school on each of the test papers this week.

These test papers are then sent via parcel force collection to the standards and testing agency where the papers are marked and the results sent to school via secure website in July.

Test results will be shared with parents at parents evening or via letter in term 6 depending on when they are received,

A copy of our privacy note is attached to this letter. Please speak to your child's class teacher or Head of School if you have any questions.

I can also be contacted at exechead@aspire-kent.org.uk if needed.

Wishing all the year 6 children a successful week.

Kind regards,

Emma Hickling

Executive Headteacher
